

## The Graham School's Responsibility of Residents' Personal Belongings

### **Policy on residents' personal belongings:**

*Valuable possessions including, but not limited to, electronics, jewelry and clothing should **not be brought to campus**. Cottage staff will review and inventory resident's items upon their initial placement with The Graham School. Graham School **will not be responsible** for any lost or stolen items a resident has been asked to leave at home. Each cottage is equipped with lockers for the resident to store his or her personal belongings. Each resident is provided a lock and is expected to manage the locker assigned to him/her. The Graham School does not allow or encourage trading, loaning or selling personal belongings between residents.*
